To earn a title, A Cavalier may earn more than one qualifying score under the same judge; but at least two of those qualifying scores must have been earned from at least two different judges.

Preferred titles: The above regular titles followed by a 'P' will be identified as Preferred titles (C-NAP, etc).

Cavalier Preferred Agility Excellent (C-PAX)

This title will be awarded to any Cavalier who has earned six double qualifying scores at the preferred jump height. A double qualifying score is earned when the dog qualifies in both the Standard Excellent B Preferred class and the Jumper Excellent B Preferred class at the same trial.

Cavalier Master Agility Champion (C-MACH)

This title will be awarded to any Cavalier who has earned the **annual top agility award** three times and has earned a minimum of six double qualifying scores. The annual top agility award is awarded to the top five cavaliers for the year based on the number of double qualifications within the calendar year multiplied by 10 plus MACH points earned with the calendar year. A double qualifying score is earned when the dog qualifies in both the Standard Excellent B Regular class and the Jumper Excellent B Regular class at the same trial. This title supersedes all Regular agility titles.
